PERFIL PROFESIONAL

I'm Alexis Del Piero Castro Casas, a passionate and curious system engineering student who thrives in collaborative environments and values building meaningful connections. I have a strong desire to learn something new every day and continuously seek opportunities to grow both personally and professionally. Participating in an academic exchange is an exciting challenge where I hope to apply my skills, share my perspective, and immerse myself in a dynamic, cross-cultural learning environment that will enrich my academic journey and future career.

FORMACIÓN PROFESIONAL

Degree in Systems Engineering, Universidad Nacional del Centro del Perú, 2021 - present

Intermediate level studies in English, Peruvian British Cultural Institute, 2018 - 2019

International Baccalaureate, COAR Junin, 2017-2019

EXPERIENCIA DE TRABAJO

In charge of website administration, AGROINNOVA | 2018 - 2019

My role in this area involves being a Web Developer and Web Designer for the company's sales and presentation.

Intern at the UNCP Information Technology Office | 2025

I provided support in managing academic and administrative user accounts. I also offered technical assistance in both hardware and software, helping to maintain and optimize the digital infrastructure for students and staff.

ACADEMIC PARTICIPATION AND PRESENTATIONS

Participant, CONIMERA - Arequipa, Perú (2024)

Author and presenter, XVIII National Meeting on Optics - Cartagena, Colombia (2024)

Founder of Computer Society Chapter, IEEE UNCP, (2024 - 2025)

Participant in the international virtual academic meetings on systems engineering, UNCP, (2021 - 2025)

Co-author and presenter, IEEE COLCOM - Barranquilla, Colombia (2024)

Author and presenter, IEEE Colombian Caribbean Conference - Barranquilla, Colombia (2023)

Ambassador, IEEE INTERCON - Perú (2023)

LAST CERTIFICATIONS

Ethical Hacking, PLATZI, 2025

Neural networks with Python and Keras, PLATZI, 2025

Cosmology and evolution of the universe, PLATZI, 2025

Fundamentals of Deep Learning, NVIDIA, 2024

Python Essentials 1 & 2, Cisco Networking Academy, 2024

Bizagi Process Modeling, Bizagi Academy, 2024

Introduction to Cybersecurity, Cisco Networking Academy, 2024

Networking Basics, Cisco, 2024

Computational thinking with Python, PLATZI, 2024

LANGUAGES

Spanish: Native

English: Intermediate (B1-B2, studies at the Peruvian British Cultural Institute), B1 in Cambridge English Entry Level Certificate in ESOL International

Portuguese: Basic

EXTRACURRICULAR ACTIVITIES

Member of the university basketball team – UNCP (2024 – Present)

Regional school basketball tournaments – COAR Junín (2017 – 2019)
